A sponsored student fee will be assessed to International third party sponsored students each semester.

All International students will be charged a \$100.00 International student service fee each semester.

All International students will automatically be enrolled in the mandatory health insurance and charged per enrollment term.

Courses audited or taken for reduced credit will be counted at their normal credit value in computing the amount of fees to be paid. Students enrolling in zero credit courses are required to pay fees according to the equivalent credit for the course.

The official University of Missouri System tuition reassessment schedule can be found at <http://cashier.mst.edu/refund/>

Students who cancel, withdraw, or change their course load are subject to this policy.
