Add Authorized User

You can give others (parents, employers, etc.) the ability to access your account information. In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), your student financial records may not be shared with a third party without your written consent. Adding an authorized user is your written consent that an individual may view your account information and make payments on your behalf. Please note that authorized users DO NOT have access to your stored payment methods, academic records, or other personal information.

An agreement window will pop up after selecting continue. You need to check mark the box that says “I agree” to continue. You can print the agreement from this window, or later in your TouchNet account. If you do not agree you can cancel setting up the authorized user. You should now be able to see the authorized user set-up on you Authorized Users tab. Instructions will be emailed to the email address you entered for the authorized user to complete set-up.
